To help you pray:

As Christians, we are called to pray for one another and for the world around us. Our local community and the people amongst whom we live and work is where we are called to live out our faith in service and prayer.

This calendar gives suggestions for each day of the month, covering the streets and organisations of our local community here in South Ham, our own church life and the wider church.

Please use this calendar as part of your regular prayer. You may already have a pattern or routine of daily prayer and can build these prayer requests into that pattern.

Or you may find it helpful to:

- Set aside a regular time each day
- Find a place where you can be quiet and undisturbed
- Light a candle as a sign of giving this time to God
- Take a few moments to be still
- Slowly name the people and places before God from this list and others on your hearts
- End by thanking God for this time of prayer

If you know people who live on the streets named, you may want to let them know they are being prayed for, and ask if there is anything they would especially like to be remembered in prayer.

Rejoice in hope, persevere in prayer (Romans 12. 12)
